

Activities

1. Locate South and North Korea on your Maps application. Locate the cities of Seoul, Pusan and Pyongyang.
2. What is the capital of North Korea?
3. North Korea has not advanced economically. The country is very poor, and a lot of the people still suffer from hunger. Look at North Korea on the world light usage map. Compare electricity usage to South Korea. How is this a sign of prosperity? Search for satellite images of the Earth at night.
4. Who was Captain Reg Saunders? Where did he serve in the Australian army? Find out what happened to him after he left military service.
5. Research the names of any other Indigenous soldiers who fought in Korea. Were there any soldiers from your town/city?
